Subject: Deficient Amended Notice of Intention to Commence Small Mining Operations, Wellman Minerals Corporation, Brown Rock 7/Rocking Chair, S/045/0055, Tooele County, Utah

Dear Mr. Bennett:

The Division of Oil, Gas and Mining has reviewed the amended referenced Notice of Intention to Commence Small Mining Operations (NOI) received on September 22, 2014, and the following items will need to be addressed before the amended NOI can be determined complete:

1. A portal has been added to the figure "Revised/Amended One-Acre Are Disturbance." Please provide more information about the portal. Specifically the portal opening size needs to be delineated, and additional surety will be required. The letter to the BLM gives the dimensions of the portal but not the portal opening.
2. Please label pages and figures with their own unique alpha-numeric identifier; i.e. Figure1, Figure 2, Page1, Page 2, etc.

The Division will need to obtain concurrence from the Bureau of Land Management for the reclamation surety amount. The acceptance of the amended NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Please respond by providing replacement pages to the original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at www.ogm.utah.gov. Please call Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions about this letter. In reply, please refer to file number S/045/0055. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
